Behram Shahzada Durrani is local influential, community activist and founding Chairman of the Community Empowerment (CE) Pakistan, a leading change maker non-profit organization of the province KP, determined for the development of people, regardless discrimination on the basis of race, cast, religion, culture, gender and social status. He struggled for the uplift and sustainable development of marginalized rural communities through Education, Health care, Advocacy, Human Rights and Human Resource Development.

Mr. Behram Shahzada Durrani has been actively engaged in various networks and movements on peace, democracy and human rights etc.

He is a founder member and General Secretary of “Civil Society Network against Drug Abuse” – a national level alliance of civil society organizations for awareness and other measures on drug abuse in Pakistan. He is a member of the Human Resource Development Network (HRDN), a leading network of not-for-profit sector of Pakistan with largest footprints of national and international development organizations working in country. Mr. Durrani is also the founder chairman of PCPANIAN System of Schools in Bannu, a charity based education system.

Under Mr. Durrani’s supervision, Community Empowerment (CE) successfully implemented many mega projects i.e. Barani Area Development Project Phase-II (funded by Asian development Bank “ADB”, International Fund for Agriculture Development “IFAD” and Govt. of KP), Community Infrastructure Project II (NWFP CIP2) (funded by World Bank and Govt. of KP.), NWFP Urban Development Project (NUDP) (funded by Asian development Bank and Govt. of KP) and National Aids Control Program’s Community Home Based Care (NACP-CHBC) project (funded by Global Fund/ Ministry of National Health Services, Regulation and Coordination Govt. Pakistan) etc...
